LETTER FROM THE PRESIDENT

Welcome to the 24th Kelly McGillis Classic

I want to welcome all the teams and fans to the island and thank all the team contacts who have organized their teams. Thanks to everyone who booked your stay through the IWFFA, which helps to subsidize the tournament!

Many thanks to our team owners, officials, advertisers, sponsors, volunteers and all who make this event possible!

There are no big corporate sponsors funding this tournament. It is the Mom & Pop / local businesses who are supporting the tournament! I ask our teams to patronize the advertisers you see in this tournament program, because if we didn't have their support, we could not afford to produce the tournament. Please let them know you are with the Kelly McGillis Classic!

Kelly McGillis could not attend this year's tournament. She has asked me to wish everyone well. (She wrote a little note to everyone found in this program)

Team Panama

We are proud to sponsor, and I would like to give a warm welcome to, our newest team from Panama the Balboa Academy Lady Dragons! (What a fierce name). There had been much organizing by their team representatives: Carlos Donado and head coach Alvaro Ducreux. They are a junior team, whose girls had to take time off school, parents had to take time off work, their travel arrangements and hotel for such a large group was not easy. But, they will be here, and much appreciation to all the team for all their efforts. What fantastic support from the parents to allow their daughter to travel to another country in order to compete. This will be the first time Panama is represented and are proud to host the Lady Dragons. They will play with IWFFA rules for the first time, so we know the coach and players have spent extra time preparing for the Kelly McGillis Classic. From all the members in the IWFFA we truly hope all the Dragons (Dragon family members included) enjoys themselves here and that we learn new skills from your style of play. Thank you for being here.

Team Owner Program

Ever since we initiated the girls divisions in our tournament (1999), we have sponsored all the local school teams!. Girls and their schools pay nothing to compete in our Kelly McGillis Classics. We are able to afford the program by soliciting Team Owners, who financially support our: Monroe County Schools Girls Flag Football program. Special thanks to: Pribramsky & company, Blue Heaven Restaurant, KW Sunrise Rotary in the Conch Republic, Wheatons Automotive - Key Largo, Key West Handbags and GNO for all their support. Please read more in our who's who. And we also want to thank the

AQUA Nightclub for sponsoring the local women's team!

We invite our players to coach a girls team and officiate in this year's tournament!

This tournament is not your ordinary sport competition. In addition to the games, it's about camaraderie, socializing, using the sport to teach skills and to practice special skills. How important it is for our young female athletes to see older female athletes as role models so they understand they too can take the lead when they get older. In addition to offering the chance for any player to coach one of the local girls teams, the tournament encourages players who are also female officials to step out onto the field when they're not playing to officiate. The IWFFA has done this for all its years in our Scandinavian tournaments which has created a healthy and wonderful competitive environment. Some may think that there is an unfair advantage to officiating while competing in a tournament... not true. We offer both Player and Officiating clinics this year, read more in our program. And for the tournament games, you may sign up to either coach a girls team, officiate or both when you are not playing.

The 8th IWFFA World Challenge Game sponsored by Moped Hospital will be played after all the Kelly McGillis Classic Divisional Championship games are over. This is our most exciting game because it includes all the teams onto one stage. Last year was special, because we had one of our players from the girls division: Bethany Baldwin-Blazetic, 13 yrs old and she has opened the door for anyone in the girls division to possibly play in the World Challenge Game. Read more about the Challenge in this program.

2014 IWFFA Sports Girl Award & IWFFA Central America Sports-woman - we have recognized since 2004 the IWFFA North American Sportswoman award and then added in 2006, the Nordic Sportswoman award.

This year at our awards will be presented the 2014 IWFFA Sports Girls & 2014 Latin America Sportswoman. See our website for past recipients: <http://www.iwffa.com/IWFFAsportswomanaward.html>

Women should rule their own sport! Women need to control their own sport. We know what we want. That was the purpose of creating the IWFFA, so that the women could decide what rules we would use and how the sport should be governed, in order to ensure quality flag football for all females. The IWFFA was the first-ever International Women's Flag Football organization, which grew from the very first National Women's Flag Football organization (NWFFA). The women made it happen. Women have been the frontrunners for flag football before it was popular. And now it's more important than ever for women to unite. If you want to support this effort - sign up and put your energy into the growth of female flag football.

Check out the list of 2015 IWFFA tournaments - We have added tournaments in the USA and abroad and we hope to see your team there, or yourself as a "loose woman".

CONTINUES ON P. 4

Camaraderie- We have spent much time in developing social events for this tournament. This year the nightly "crazy parties" are fantastic! Every night we have a party/social event which you will enjoy. Please do not isolate yourself from the other teams. We are here on the island to enjoy the games and the camaraderie of our peers as well as to learn good flag football and good sportship. Take advantage for the presence of the players from other countries and across the U.S. and have a ball!

Since 1995, The National Women's Flag Football Association, which turned into the International Women's Flag Football Association in 1997 has been working hard to achieve it 's goal: Uniting Female Flag Football Players around the world. By traveling around the

world, offering clinics, trainings, flag football promotions, we have taken great strides in creating new teams and leagues and bringing in existing teams and leagues under our umbrella in order to take female flag football farther. You should be proud to be a member of such a fantastic organization that truly has nurtured and helped to plant the seed for the sports future. I ask you to work with us, support us and ask any flag football groups you know to join the IWFFA so that we can become stronger, do more great things around the world and to finally professionalize our sport.

Now let the games begin!

Sincerely, Diane Beruldsen - President/Founder IWFFA

Message From Kelly McGillis

I would like to welcome you all to the 24th Annual Kelly McGillis Classic International Women's Flag Tournament. Key West is a gorgeous island with so much to offer. I am, as always, dwarfed by Diane Beruldsen's enthusiasm and dedication to the sport. It is my hope that you all grow from your experience this weekend, revel in the camaraderie, and celebrate one another and all it is that you have achieved. Blue Heaven and Salute Restaurant - Team Owner since 2010

Blue Heaven Restaurant - On September 19, 1992 Suanne the artist and Richard the writer cooked and served black beans, rice, and fish to their first lunch customers on the painted picnic tables under the tropical almond tree of their fine outdoor dining area. Before then, through the years, the property has hosted cock fighting, gambling and Friday night boxing matches refereed by Ernest Hemingway. A dance hall, a bordello and a playhouse have occupied the second floor. Today inside the Bordello Gallery above the restaurant, one can still peek through the sliding peep holes into the tiny

rooms. The restaurant has grown, just as the history and stories of the property itself, and has turned into one of the most fun, delicious and popular places to dine. Blue Heaven contributes and supports the community heavily over the years. And their owners are active citizens to better conditions for all.

Salute Restaurant - Sue and Rich had opened another fun restaurant in Key West called Salute ! and it's right on the beach. Volleyball, beach, salty water and a beach side café serving Italian and island style food.

Key West Sunrise Rotary in the Conch Republic - 3rd year Team Owner

Their financial support for so many causes has made the Sunrise Rotary an integral part of our Keys community.

Key West Sunrise Rotary Club in the Conch Republic was started in 1988. Local Rotarians felt that it was important that Key West have a Rotary Club that welcomed women members so a group of individuals got together and chartered a new club. The first President was Roy Anderson, who later was elected District Governor for Rotary District 6990. Charter members were: Steve Henson, Kim Works, Rich Welter, Percy Curry, Sparky Carbonell, and Mike Horne. Thank you to this amazing group for recognizing that "Service Above Self" includes everyone both men and women!

Our goal is to promote the educational process, assist our players through our tournaments, trainings and promotional tours to build self-esteem, confidence, enhance leadership skills to better compete in the business and political world to one day have peace and to professionalize the sport of flag football for women.

We are a central office and support for girls and women's flag football, rank teams internationally, offer discounts for equipment and offer education and trainings in regions of the world where the sport does/does not exist. (largest woman's flag football tournament), National Women's Flag Football Association as well as the International Women's Flag Football Association. She has traveled to Europe and introduced the sport in: Norway, Sweden, Denmark, Iceland, Belgium and Germany. Today, the IWFFA Nordic Region exists. Her path is to take women's flag football to it's highest level while unifying women's and girls flag football teams and leagues and to have the "women rule their own sport"! For Diane, Flag Football is a tool to teach skills to women so they can use to better compete with the men in the business and political worlds to have female influence in world affairs and one day peace.

►The Lady Dragons

In Panama City Panama, flag football has caught the attention of many, has changed lives and has filled many hearts with joy, adrenaline and strength. Balboa Academy introduced flag football to its sports department by coach Alvaro Ducreux in 2011 and opened the first girl flag football sub 17 team. With just a few girls trying out, a well packed team developed. The first seasons weren't the best, however with time dedication and practice the girls increased their abilities and techniques to a much higher level. After 3 years of playing in LIFFF (Liga Internacional Feminina Flag Foot-

ball) and training under coach Duki's rules, the Balboa Academy Dragons started to be recognized, prized and looked up too. Lady Dragons now win top categories in their competitions and come home with big smiles and proud souls.

We hope to finish the project in 2-3 years time, as we travel to document girls and women's flag football in the: North American, Latin American and Nordic Regions.

►**Joey Schroeder** - Proprietor of the Bourbon St. Pub and New Orleans Guesthouse. Joey has supported the tournament for years but this year has gone above and beyond in his assistance with helping us to solicit housing for our officials and volunteers. Thank you very much Joey.

Team Photos – Make sure we get your team photo. Go to information table 15 minutes before your 1ST game. Team Photos will be available for download at our website: IWFFA.COM

Practicing on fields before the tournament – teams are welcome to practice on the fields. There is no fee for this we only ask that you schedule the dates and times your team would like to practice with our office so we do not have teams practicing at the same times. Practice cut off time is 6PM, Wed. We appreciate your cooperation.

Games slotted 1.5 hr & most likely will be: 8:00AM / 9:30 / 11:00 / 12:30 / 2:00 / 3:30 / 5:00 / 6:30 / 8:00PM

Information & Merchandise Tables

Each morning team captains should pick up daily tournament info sheets with results from day before and any updated tournament news. Pick up and return your Score Cards (required by each team), can see updated scores of games and team results. There will also be a lost & found and answers to your questions.

Auction Items, Tee shirts, hats, footballs, pinnies and more items will be available here for purchase.

Score Cards - Before you play your game, make sure your team has a SCORE CARD. Fill out, return to report: Score of game, MVP picks for Offense & Defense for your team and your opposing team, All Star Picks, World Challenge Picks and rate the officiating of your game.

World Challenge Game - We use the Kelly McGillis Classic to choose all stars from the tournament to play in our last and biggest game: World Challenge Game VIII and this year sponsored by MOPED HOSPITAL. It is our International All Stars vs USA All Stars. If you are a good player (no matter which division you play in) and have desire to play in the World Challenge - enter your name at the Information Table. The game will be filmed and can be seen on our website and IWFFA YOU TUBE.

Coaching a Girls Team - When you are not playing, why not help to plant the seed to keep our sport growing!

Our local girls teams would love to have you come and help to coach them when they are playing. Contact our office before the tournament, or go to the information table once the tournament has started. And by the way... are you coaching a girls team back home?

IWFFA Documentary: History of Women's Flag Football. - Athletes, Coaches, Founders will be interviewed throughout the week. If you have contributed to female flag football in your town, please let us know, we would like to include you in the documentary.

Water Bottles – Players are encouraged to bring their own water bottle instead of us using paper cups which are thrown away with every drink (players will drink many times during one game) This is good for the environment.

Ice Water Coolers

The IWFFA will provide ice water in coolers for our players which will be available at each side line. Please do not put your own sodas or drinks in these coolers. This makes the water dirty and is not fair for the next team playing on the field (yuck!). Beverages, Gatorade will also be available for sale at our concession stand.

KW Rescue - First Aid Station on field

We will have a minimal first aid station near or at the information table. If an ambulance is needed our field directors can call one for you. If you have a non-medical emergency and would like to be taken to the hospital, we can provide a driver to get you there. We also have medical clinics in Key West as an alternative option for players who do not have a serious injury. Check with your field coordinator for assistance. We want to thank KW Rescue for supplying us with a packed first aid kit.

Field Coordinators – Will be on each field taking reports on all the games. They will check rosters and have copies of IWFFA rules, score cards, all star select picks sheets in their possession. Any protests will be noted and recorded by them. They are our "mini"- tournament directors.

Press Box - Tammalan Walker & her special guest will be hot on the mike as she lends her famous special brand and style of announcing all the exciting field action for game to game coverage.

Food – You do not have to bring food, we will have at affordable prices at the field food concession. Laura and Jim will head our food concession and offer breakfast, lunch, dinner and snacks. Baby's Coffee, Burgers, Hot Dogs, Pizza from John's Pizzeria, Fresh Cuban Sandwiches from 5 Brothers and more. Volunteers from First State Bank are manning the grills.

Twisted Half Time Games - All are invited to participate (players and fans)!

Half time games and contests will be held on the main field throughout the tournament at the end of each game. We will have contests for our fans and spectators including longest kick, accuracy – field goal attempts, furthest throw relay races, wheel barrel races and this year for the first time a bicycle built for 2 race!. Prizes awarded to the winners and "Golden Key Chains will be measured at the awards". The team with the longest chain - wins grand prize sponsored by Twisted Tea.

Hole & Football Throw - On the side line. Throw the football through the hole - 50 cents per throw -win prizes

Raffle Tickets - When our raffle people come with the tickets...get your money out! This year, we offer fabulous prizes donated by local businesses.

Snorkel trips, dinners, jewelry & real Key West novelty items. Everyone buys raffle tickets because the prizes are soooooooo good! Winners will be drawn three times daily. You do not need not be present to win (just print your name and phone number clearly on your tickets)

Bathrooms: Located in the middle of the 3 playing fields. Let us know if we are running low on T.P. and please keep them clean!

RECYCLE & Keep It Clean - This year teams will be penalized \$25 for NOT RECYCLING! There will be plastic bags hanging on the field fence. Please dispose of all glass bottles, plastics and all recyclables in them!

Volunteers – If you would like to help out with the event, please do. There is always plenty to do. Come to the information table to offer your assistance in any way. We would like to thank First State Bank again this year for offering their employees. For past 13 years, First State has given us more volunteers than any business in the Keys.

We hope you had a great time this year! and hope to see you at some of our other 2015 IWFFA tournaments and next year's 25th Kelly McGillis Classic - Tell us when is best date for your team

FIELD / TEAM RESPONSIBILITIES

Please Check Information Table first thing every day for any updated changes.

Read This Entire Program – Know what is going on with our 24th Kelly McGillis Classic!

Tournament Director this year will be: Diane Beruldsen, President Founder of IWFFA – Any problems, questions, or concerns, please go to Diane. (305) 897 4567 Share good comments as well (See who's who)

Head Official – Mark Walker - Any questions, are best to ask during Captain's Meeting during Registration Party, otherwise, catch him at the field. (See who's who)

Team Contacts - do we have your correct cell phone # - Make sure, if you are a team contact, that the tournament director has your current cell phone number in case we have to contact you during the tournament. If you are an international team, do you use VIBER? or another app on your smart phone to cut costs of international calls. Let us know and we will try to communicate with you the most cost-effective way.

Flag Belts - Each team is required to provide their own Flag - A-Tag WFVS Sonic Belts. You may purchase belts at our information table, but supplies are limited. Order direct through our IWFFA office and save - \$60 per dozen.

Footballs - The tournament will provide each field with the official Wilson, TDJ all leather premium game football. Footballs may be purchased at our merchandise table. \$40 to non-IWFFA members / \$35 for IWFFA members. Check out our IWFFA LOGO and get your own IWFFA football. Buy now and avoid shipping charges.

Pennies - Teams need to designate their 3 offensive line players. We suggest you use the mesh type to show player numbers and sleeveless, so they are not so hot. If you do not have your own, you may purchase at information table.

Player Pre Check - Team Line-Up Prior to Game – 10 minutes before game time

We ask teams to come to field 10 minutes before game time, to line up on side line for player check (belts tight with flags on sides, proper size flags, proper fitting for belt sockets to ensure proper pull, non-metal cleats, no jewelry, long finger nails need to be tapped), and roster check. We will check to make sure all players are legitimate (we ask players to carry photo I.D. in their sport's bags in case there is question of your identity), and also to make sure shirt numbers match the roster (to aid in world challenge and all star selection). Please do not switch shirt numbers during tournament. Remember no pockets allowed on

your shorts or sports pants, and you are not allowed to tape pockets! If your team feels the opposing team has an illegitimate player on the field, call time out and tell the head official who will check the roster. We truly appreciate your team's cooperation in making the pregame check run smooth.

Designated Voter

Each team should have one person responsible to pick up and return scorecards. Teams vote for their team & opposing team's MVP offense /defense, pick all stars for offense and defense, nominate world challenge picks & rate the official's performance. They also report the final scores. Score cards may be picked up at information table and need to be returned as soon as possible (so we can put the scores up on our score board!).

Positions to Choose for our All Stars Teams

Offensive Team: QB, 2 Receivers, 2 Running Backs, Center, 2 Guards, Punter
Defensive Team: 3 Primary, 3 Secondary, 2 Safety, Kicker

IWFFA World Challenge VIII sponsored by MOPED HOSPITAL Nominations

Current record is: International All Stars - 3 vs USA All Stars - 4.

We allow teams to nominate players from your and opposing teams for our World Challenge Game. If you have a nomination, write on back of score card. Include Name (or shirt number), Team, Position. We also, allow players to nominate themselves, who feel they are All star quality, to sign up. Early Sunday morning, the all star picks will be posted by the info table. You may also check throughout the tournament to find out if you have been nominated to play so you can be ready for the last game of the tournament. Immigrants playing on American teams are invited to join the International All Star team. The game will be filmed, and shown on our website and IWFFA YOU TUBE. Each team will have maximum of 12 players (so players will have to go both ways)

Score Boards

We have a quadruple system, where we take scores of games from both teams, field coordinators and head official. However, we encourage players to check their scores throughout tournament, to multiple-check! They are located next to information table. Scores can be a deciding factor in determining ranking of teams for the play-offs.

Game Schedule - Will be posted Thursday night on our website: IWFFA.COM, after the Captain's meeting at the Registration. And captins will be handed sheets for the tournament schedule to share with players. We use to post tournament schedule before teams arrived to Key West, but if there were last minute changes at the Captains

FIELD / TEAM RESPONSIBILITIES

meeting (which happens), posting games times previously, then making changes became too disruptive. For this reason, all teams will find out their final tournament schedule after the Captains meeting is held.

Chain Gang / Team Schedule – Every team is responsible to hold the chains as scheduled when they are not playing. We use a chain gang schedule so you can see when your team is scheduled. The chain gang schedule will be given at the registration during captain's meeting and listed on our tournament web page. Check your team's game times to hold the chains. Penalty for failing to hold chains when your team is scheduled \$25 per missed game.

Side Lines

Teams are responsible for their sidelines or else they will be penalized. This includes behavior of their team and their fans. 15 yard penalty for unsportlike behavior.

Players registering late – Players who could not attend the meet & greet and who applied for a: "late registration at field" should go to the information table to register BEFORE you play your first game. Show your photo I.D., pick up your IWFFA membership card. You will then be checked off on your team roster which our Field Coordinators use to check players prior all games. If you are not cleared, and begin your play, you will be deemed an ineligible player and your team will forfeit the game. Your must register before you play! Also, we highly discourage late registrations and ask for all players and team participants to be present at the Registration Thursday night.

IWFFA Medical Information – Every U.S.A. team is covered for up to \$25,000. There is a deductible. If you have an existing medical insurance, our insurance kicks in as your second insurance. If anyone gets injured during the tournament, you MUST report to us as soon as the injury occurs!

Playing against a team with same color shirt - If your team is playing against another team with same color, we will loan pennies for one team to use during that game. Come pick up at information table.

No Switching Shirt Numbers - Some teams have two sets of shirts, so that if they come up against a team with same color shirt, they use their 2nd set. But, if you switch colors, make sure you keep same number. You must keep shirt number you have on your roster

NO Soliciting - In order to make our social events successful, we ask our players to patronage sponsored IWFFA tournament events (which you can easily see in

our program). Outsiders, who may step onto our turf, and try to promote their goods, services, and parties outside of our program, are taking away our opportunity to raise money for our organization. Think about the people who have worked on this event for 24 years! We truly would appreciate loyalty from our players and members..... please. Solicitors will be asked to leave if found soliciting on our fields!

Liquor on the field- We strictly enforce the law and prohibit consumption of any alcoholic beverages on the public field. Violators will be given a summons and asked to leave the premises if caught drinking alcohol at field.

WE RECYCLE! - Keeping it Clean on the fields and helping with bathrooms.

You may dispose your garbage in trash cans – located all around the complex, and recycle your recyclables (plastic bottles, papers, etc.) in the designated areas. If there is a bag getting full, please let us know and we will change it – tell us at the info table. We greatly appreciate your thoughtfulness and help. Also, if you notice the paper is running low in the bathrooms, or if there are any floods, let any of our volunteers know and we will take care of. Thank you.

Security

Volunteers will monitor the field and we hope that should they have to speak to anyone, that they only have to ask once. Please abide by our directors, officials, volunteers and be nice to the other teams. Thank you for doing this.

We welcome all comments regarding the tournament, and ask that any criticism reported be accompanied with written suggestions to better any concerns. Email us your comments : iwffa@iwffa.com, following the tournament, which are most helpful as we save these and keep on file for future tournaments. If you could send us within two weeks following the tournament it is best, but all comments at any time are welcome. Good comments are also appreciated.

Sanctioned IWFFA Leagues - If you are NOT a sanctioned IWFFA league and are interested in our program contact our office today.

Sanctioned IWFFA Tournaments - If you would like to host a sanctioned IWFFA tournament in your city, let us know.

The IWFFA is looking for a U.S.A. Director - If interested, speak with the President: Diane Beruldsen directly who can be found at Information table - all around the field or email: IWFFA@IWFFA.COM

IWFFA WORLD CHALLENGE GAME VIII

The IWFFA World Challenge Game VIII is sponsored by MOPED HOSPITAL "Your Prescription for Island Fun" Played Sunday, January 18, 2015

The World Challenge

The World Challenge was created for various reasons. The main purpose was to give players the opportunity to feel pride, representing their own countries, similar to the Olympics and to display their talents onto the flag football field. The World Challenge was to allow elite flag football players from the different divisions, to join together to compete with and against one another. In 2014, the World Challenge had a first, where one of our elite players from the girls division: Bethany Baldwin-Blazetic, age 13, joined the U.S.A. all star team and played at the same level as all the other adult all stars. The IWFFA World Challenge gives the opportunity for our female athletes to

walk onto the stage and show the world what they have. To demonstrate their athletic ability, the good spirit of the sport, the power of team camaraderie, and the power of the female athleticism. The World Challenge is a symbol and the essence of what the International Women's Flag Football Association is all about.... uniting female flag football players from around the world. This year's World Challenge will be our 8th annual and is sponsored by Moped Hospital. Sean Duffy, the owner of Moped Hospital, wanted to play a leading role in supporting female flag football athletes and the World Challenge Game. We thank Sean and the Moped Hospital for the support of this very special competition and you can visit him at the Moped Hospital store which repairs, sells and rents mopeds, bicycles and electric cars.
